Product Fact Sheet - Lighting - Ware Table Lamp

Ware Table Lamp

MSDS Studio

The Ware Table Lamp brings together two distinct flowing forms into a single object. Appearing like a pair of shells huddling together on a cold shore, the rounded front hides the lighting diffuser - allowing a soft illumination to swell up from within. Once illuminated, a sense of depth is created between the pieces textured layers. A unity between light and dark.

About the designer MSDS Studio

Canadian design duo MSDS Studio work across design disciplines with a desire to create objects and spaces that engage with contemporary culture. With a focus on material, form and space, their studio adheres to the abiding principles of good design and the inheritance of quality craftsmanship.
