

ABOUT A CHAIR / AAC12

Design by Hee Welling & HAY

With its gently curved open shell and symmetrical solid base, the About A Chair AAC12 design offers a refreshingly pared back expression that is consistent with the rest of the series. The lack of armrests ensures a clean, clutter-free silhouette, whilst the shaped back provides optimal comfort. The wooden frame with elegant, rounded legs conveys warmth and character, and ensures greater stability and a longer lifetime. The polypropylene or upholstery shell and solid wood base are available in a wide range of options.

PRODUCT DETAILS

- / Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- / Variability of shell colours and base finishes.
- / Suitable for a wide variety of private and public environments.
- / Qualified for contract use.
- / Available with plastic shell, with front- and seat upholstery (AAC12) and full upholstery (AAC13) in a large selection of fabrics and leathers.
- / Other base options are: 4-leg steel base, swivel base, wheel base, sled base and moulded plywood legs.
- / Shell is also available with armrest.

HAY
